## WHO AM I?

*Hello! My name is Mar Martínez and I am a makeup artist with over 25 years of experience in the makeup world. Apart from weddings, I also have a wide experience in artistic makeup for catwalks and magazines as well as a in training in personalized courses for the public or other professionals in the sector.*

*If you are going to get married and need a little help from an expert to guide you, this is the right place for you!*

*You can be calm and enjoy your special day with a dazzling face!*

## WHAT WILL I NEED TO KNOW?

- *What will your dress look like?*
- *How do you usually wear makeup?*
- *What is your style?*
- *Are you allergic to any makeup products?*
- *What are your earrings like?*
- *What is the colour of your bouquet?*
- *What is the colour of your shoes?*
- *Will there be other people to makeup?*
- *What time will the photographer need you?*

*I will ask you these and other questions in order to understand your personal style and thus be able to adjust the type of makeup which best fits you that day. Communication between us is of the utmost importance.*

*We will do some tests because they are vital for both of us. You will see how exactly you will look like on your wedding day and I will be able to test the product's reactions on your skin and find out what you have dreamt for that special day.*

*I will also recommend a retouch Kit if I am to consider it will be necessary for the maintenance of your makeup throughout the whole day.*

## WHAT DOES MY JOB INCLUDE AND WHAT DOES IT CONSIST OF?

*Let me explain you how I usually work, so that you can understand and appreciate what comes in my budget for you.*

*When you hire hair and professional makeup you will not only pay the makeup and hairdresser "time" itself, but a full service which, depending on the location, includes previous tests, travels, wedding day makeup, photos and retouches, and usually takes us approximately 6 or 8 hours of work for each.*

*This is a fully customized and home service which is very comfortable for brides. It is a luxury to have a professional to do your hair and makeup wherever you are and usually on a holiday.*

## WHAT ELSE DOES IT INCLUDE?

- *Exclusive attention on your wedding day, which implies closing my business and not assisting other clients on that day, because it usually takes us half day.*
- *High quality hair and makeup products that I use in my job. I always use high standard innovative products in order to keep up with the new trends.*
- *The trip to your house or the hotel where you will be staying on that day. This means wherever you are, sometimes hard to reach places and with private parking.*
- *The added value of my years of experience in makeup.*
- *The professionalism and guarantee of a company that fulfils its labour, administrative, legal and financial obligations.*

## HOW MUCH DOES IT COST?

- *Bride makeup* 250 € (including tests)
- *Maid of honour makeup* 250 € (including tests)
- *Guest/Bridesmaids makeup* 75 € (no tests included; if they wish to do so there is an extra 60€ fee)

## DO YOU WISH TO HIRE HAIR SERVICE?

- *Bride hair* 250 € (including tests)
- *Maid of honour hair* 250 € (including tests)
- *Guest/Bridesmaids hair* 75 € (no tests included; if they wish to do so there is an extra 60€ fee)

## WHAT DOES IT INCLUDE?

- *21% VAT*
- *Journey within 30km of Seville (city centre). Please contact for farther distances.*

## HOW DO I MANAGE MY BOOKINGS?

*To ensure that your wedding day will be just for you, it is necessary to make an advanced payment of 50% of the hired service. After this your booking will be secured, making everything easier for both of us. This is usually the amount of the tests performed **approximately a month before the wedding.***

*The remaining 50% shall be paid through bank transfer a few days before the wedding or in cash in the same day.*

*Guests and bridesmaids should pay on the very same day of the wedding.*

*Once I lock that day for you, I will send you a booking document detailing the service you have hired and the receipt of the amount you have paid.*
